Dear Sir/Madam,

I am pleased to present my resume to you for the position software developer. I believe my broad-based knowledge and a thorough commitment to work make me a qualified candidate for the position. I would like to introduce myself as a fresh management professional from "GLA University Mathura" (Institute Of Engineering & Technology). As far as other professional degree is concerned I have Pursuing B.Tech from Department of Computer Science & Engineering.

I
Apart from this, I too possess other professional skills necessary for conducting a particular assignment including professional orientation, satisfactory communication level, subject knowledge of the domain and a good appetite for learning.

My enclosed resume provides you details of my accomplishments and skills. I am positive that a personal interview would more accurately reveal my qualifications and the contribution I can make towards the future success of your organization.

Looking ahead for a positive response

Sincerely,
HARSHIT BHARDWAJ
